

# Introducing TREMFYA withMe

A dedicated support program for TREMFYA® patients

Tremfya *withMe*®

TREMFYA withMe provides a range of dedicated support and services to help make it easier for patients as they begin, and continue, their TREMFYA® treatment journey.

 Tremfya®  
(guselkumab)

# Here's how TREMfYA withMe helps patients

At the core of the program, there's a TREMFYA withMe Guide, a dedicated and qualified healthcare professional\* who can work one-on-one with patients and provide precise information they may want to help them with their treatment.

\*Guides do not provide medical advice.

## TREMfYA withMe is here

TREMfYA withMe provides in-office support to help you guide patients throughout their TREMFYA® treatment journey.

### Reimbursement Support

Your Field Reimbursement and Access Specialist (FRAS) will provide dedicated, in-office support and information on reimbursement, access, and fulfillment

### Access and Affordability Support

TREMfYA withMe can help verify insurance coverage for your patients, provide reimbursement information, find financial assistance options for eligible patients, and provide ongoing support to help patients start and stay on TREMFYA®

### Specialty Pharmacy Enhanced Services

Specialty pharmacies provide enhanced product fulfillment and patient support services
